21st Century Teaching: Competence-Based Education, Soft-Skills and Creativity

Teacher Trainer: Jackie McCann
Dublin | August 16th – August 27th 2021

Our 50-hour training was focus on competence-based education, soft-skills development and creativity. The participant explored issues and practical ideas connected to problem-solving, cooperation, communication, critical and creative thinking. The participant also considerate the delicate issue of assessment and was provided with tools suitable to evaluate complex tasks and high-order skills.
