•••

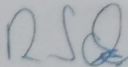

Pupils on the Stage: Student-Centered Methodology and Audio- Visual Projects

•••

Teacher Trainer: Michael Farrel, Sarah O'Connor
Dublin | August 9th – August 20th 2021

.....
In our 50-hour program is based on how audio-visual tools can support students and teachers' involvement: participants learnt how to manage audio-visual resources to teach their subjects in a more effective way. The participant was provided with thorough expertise about how to promote a student-centered learning environment.

The director
Robert Schwamborn
